CELEBRATING FIVE DECADES OF FASHION

This doll is the ultimate keepsake of a year of celebrations, highlighting the beauty of Barbie® from every generation. This doll makes fifty a thing of beauty. There is nothing she hasn't done, hasn't seen, no look she hasn't made her own. Instead of fading, she's simply grown more glamorous, more fascinating, every single year. And more valuable right before our very eyes. In a spotlight that's never wavered, she shines on. But then who's surprised? This doll, she has legs.

So right here, right now, come inside to where haute couture meets unforgettably mod. Where stunning siren meets flame-haired comedienne. Role model, beauty bender, her status never falters and her beauty never fades: she's the queen of style from New York City to Shanghai, from Paris to your hometown. Generation after generation, we know perfection when we see it.

She's the one that makes memories not simply last, but matter.

She's the one who needs no last name, no address, no calling card.

She is, simply and forever:

BARBIE®.
